SCOTTISH HILLS RECREATIONAL CLUB NEWSLETTER

Notes From The Board

Because there seems to be some concern that the general membership is not being kept aware of the Board's activities, the Board plans to include a digest of items of interest in this and future newsletters. Your comments are welcome and we encourage you to give us feedback through your personal board member.

Some members have indicated that they are not aware of their personal board member. A list is enclosed in this newsletter. Please file your board member's number somewhere that you may find it when you'd like to comment or ask a question about policy or decisions or if you'd like to make a suggestion. This is the only vehicle for communication with the Board when there are not membership meetings. It has been created for the benefit of all members. We encourage you to use it and become more aware.

Because of popular demand we scheduled a general membership meeting in September. We were disappointed that the turnout was only thirty people which included Board Members.

Rules and regulations and the By-Laws are available from Carol Kanel if you find you are without a copy of either. (467-6501)

We are happy to report that no additional annual dues will be assessed until January 1st, 1979. Because of expense uncertainties we cannot list operating expenses at this time, but we will have an annual financial report on the operation and construction of the pool and tennis courts at the end of the year.

The grading contract for the swimming pool has been completed and payment has been made. The swimming pool contractor (JoPa) still needs to have the subcontractor complete some repair work on the concrete apron. The final 10% payment due JoPa will be made when that is accomplished.

There has been some concern about the membership capacity, and the Board is considering various alternatives of capacity levels.

A committee chaired by Marsha Bieberich has been created to expedite the delivery of newsletters. Please contact Marsha about any delivery related problems. (467-2605)

HELP!!! The exterior of the bath house needs to be painted before cold weather sets in. We need someone to lead a painting workcrew. All materials would be supplied. We need volunteers and a leader! The first painting day will be Saturday October 14. Call Mark Bond for information. (467-5811)

It would be of great help if some of the members would volunteer to do some typing when the newsletters go out. It would make the job a lot easier if several would agree to type just one page. Don't underestimate the value of the amount of time that would save someone else. Ideally a list could be compiled so that we could alternate typing requests. If you can help call Carol Kanel (467-6501)

The membership is encouraged to submit articles, comments or other information that they think would be of interest to the membership at large; however at this time we do not have enough space available to accept classified type ads. Please deliver any articles to C. Kanel, 1419 Tarbert Ct. Our anticipated newsletter schedule will be monthly from May 1st through Oct. 1st. After October newsletters will be bi-monthly, coming out during the first week of the month. Deadline for submitting notices, comments and recipes will be the 15th of the preceding month.

All of the committees that have worked so hard this year are in need of some new people to work with them for next year. Please consider helping. We need some new ideas and joining a committee is an excellent way of feeling you're an active part of the decision making process. Many recommendations, policies, and ideas originate at the committee level, so if you'd like to see some of your ideas become a reality, pick up the phone and join! Committees and chairmen are listed below:

OPERATIONS.....BOB BURTON 467-3024
CONSTRUCTION.....TOM BEEBE 467-4769
SWIM TEAM.....ROGER BIEBERICH 367-2605
SOCIAL.....CONNIE BURKE 467-9147
GROUNDS.....JAKE SUMMERS 467-0040
MEMBERSHIP.....Carol Kanel 467-6501
NEWSLETTER.....MARSHA BIEBERICH 467-2605

A committee was recently formed to secure the pump room against vandals and intruders in general.

COMMITTEE REPORTS

CONSTRUCTION COMMITTEE

At the September 24th Board of Directors meeting the Const. Comm. recommended that Calico Courts be selected to build our first two tennis courts. Calico Courts could construct a set of double courts this fall. All construction will be completed except for the final top Laykold surface, which will be put down next spring. The top surface cannot be laid this fall due to possible inclement weather. The courts will be playable this fall be painting lines of the asphalt. This low bid is approx. \$3000 over the budgeted figure of \$16,000 due to increased labor and material costs. The final bid has been submitted and

approved by the Board of Directors at this time. Construction is expected to begin by the first of next week subject to the actual letting of the contract.

MEMBERSHIP COMMITTEE

The membership committee is pleased to announce that our total membership is now 116. We have gained nine new SHRC members since the pool opening. Of these, two are replacement members and four are trial members. We hope that the trial members enjoyed the pool this summer and will become full members by October 15th.

The membership committee's efforts are now focused on a membership campaign. A brochure has been printed, plans have been organized and we will be recruiting your help in the coming weeks. If many can pitch in and do a small part our job will be more successful.

Anyone interested in joining our committee, please contact C. Kanel (467-6501) or J. Bauer (469-0659)

REMEMBER! TOTAL MEMBERSHIP DETERMINES OUR ANNUAL DUES!

NEWSLETTER COMMITTEE

We now have a committee to coordinate delivery of the newsletters. We hope that by doing this we can eliminate some of the problems that have arisen regarding delivery. We ask your cooperation and request that you call Marsha Bieberich at 467-2605 if you don't receive a newsletter when you think you should.

The time involved serving on this committee is that of delivering approx. 10 newsletters each time they come out. There are no regularly scheduled meetings to attend. If you have a little time to give or would act as a substitute for those times that someone cannot deliver, we'd appreciate your help.

GROUNDS COMMITTEE

The grounds committee currently has fifteen members who have worked two Saturdays cleaning up trash and planting grass around the parking lot and on the bank above the pool. To date approx. \$120 has been spent on lime, grass seed and straw. To complete the planting of grass seed as well as planting of shrubbery the following are needed: The help of all members to plant; Equipment such as tractors, trucks, etc. to assist in planting and hauling. To volunteer your assistance call Jake Summers 467-0040.

OPERATIONS AND RULES COMMITTEE

The swim season is over for this year. The task before our committee is to evaluate our performance in all aspects this past season, towards improving it for next year. In early 1979 we will go over in detail each report's recommendations.

Pool Closing – We have pretty well wrapped up closing the pool for this year. We have secured our equipment, drained the water pipes and lowered the pool level below the skimmers. The water has been superchlorinated to prevent algae buildup. The cost of this closing is minimal.

Lawn furniture – All members' furniture left at the pool has been secured in the supply room. We will be happy to store it for you, but we cannot be liable for loss or damage. If you would like to pick your furniture up, please contact Bob Burton 467-3024.

Tennis Courts – While the final decision has not been reached, our intent is to control access to the courts by means of serial numbered nonreproducible keys. Keys will be issued to those members requesting them and refundable deposits will be required.

We need feedback and suggestions from you. If at any time you have suggestions, complaints, or compliments on any aspect of the Club, please let us know. To join us, call Bob Burton 467-3024.

SWIM TEAM COMMITTEE

The swim team started training under John Castranio the first full week that the pool was open. Initially, 58 children signed up for the team; but due to the conflict of football and vacations, some children dropped out during the four weeks of practice. An inter-squad meet was held on 8-31-78. About forty children participated, and many parents came to watch. Special "inaugural swim meet" ribbons were presented to all swimmers. The experience gained this year by the children and by the members of the swim team committee will help us in 1979 when our swim team becomes a regular member of the Tarheel Swim Association. Anyone interested in working with the swim team in 1979 please call Roger Bieberich 467-2605.

SOCIAL COMMITTEE

The Social Comm. hopes that each of you who attended the socials, Opening Cookout, Labor Day Covered Dish, and the Adult Social enjoyed themselves. We are hoping to have a social later in the year. SHRC needs your participation. If there are any questions or suggestions please call me, Conie Burke 467-9147.

Many members have participated and helped in a lot of ways on committees, work crews, and the Board of Directors (past and present). Each individual task has contributed to quite an accomplishment and I would like to thank you all for the time you have given. I know it seems like we are being asked as members to give a lot of extra help; but our club is here only because of that extra time volunteered by many. We are still in our

developmental stages even though the pool is in the ground and then tennis courts are on their way and for a time we will continue to need the help and time of members to accomplish what needs to be done. Please try to understand when someone calls you and asks for help. It's not an easy task to ask for help and your willingness will be appreciated by many in the end. C.K.
